

# You are heartily invited!

We are living in the last days and as such the urgency to carry the Gospel to the darkest places is more pressing!

■ If the cry of the lost and dying people are echoing in your heart, if you are wondering what you can do or how you can learn practical ways to meet the need, we want to help! I am excited to offer you our seven week School of Missions. Together with like-minded hearts from around the world, you will be mentored by Spirit filled pastors and Apostolic Missionaries equipping you with tools to do an Apostolic work for the King and His Kingdom. I hope you will seize this moment, and allow God to stretch you to do the impossible. Your life can make a difference. Please join us!
